

# COMMUNITY CLIMATE RIDE

## Join us!

...for a day of riding with friends old and new  
...in support of our 17 riders crossing the country to raise climate awareness  
...to hear stories about the riders' experiences on their journey

**Date & Time: Thursday, July 15, Leaving at approximately 8 a.m. [check in to confirm leave time]**

*All are invited to join for snacks and coffee before the send-off.*

**Location: We will leave from Assembly Mennonite Church, 727 New York St**

The Center for Sustainable Climate Solutions (CSCS) invite you to join the 2021 CSCS Climate Ride for a day! The group is traveling in the morning from Goshen to Merry Lea Environmental Learning Center. The riders are eager to talk with you, to hear your stories, and to share their anticipation of transformation from this journey. Join for the whole day, or just a part – we look forward to seeing you.

*Support this effort, have fun riding, and join the movement. We'll see you together on the road!*

*CSCS is committed to advancing climate conversations, solutions and justice. We envision especially an Anabaptist community that makes climate issues as the moral equivalent of peacebuilding. All of CSCS's activities — multiple student programs, congregational engagement, innovative research, and raising global voices — are geared towards these goals.*
