

CSCS 2017 Baseline Survey

Q1.1 Welcome! Thank you for taking the time to share your perspectives on topics such as conservation, sustainable living, creation care and climate change with us! Your responses will shape the work of our collaboration as we strive to develop useful resources and programming. We know your time is valuable, and we appreciate your contribution to our efforts and your thoughtful responses. Your responses to this survey are confidential. Your name will never be associated with your responses in our survey analyses or reporting of results. The data gathered from the survey will be stored on secured servers at all times. You are free to discontinue your participation at any point during the survey. Reports from the survey will be published on the website of the Center for Sustainable Climate Solutions later in 2017. Feel free to contact the researchers with questions: Dr. Jenni Holsinger, Associate Professor Sociology and Dr. Scott Barge, Director of Institutional Research & Effectiveness, both of Eastern Mennonite University. If further questions arise, or you feel you have been treated unfairly, please contact Dr. Cheree Hammond, of the Eastern Mennonite University Institutional Review Board, Eastern Mennonite University, 1200 Park Rd., Harrisonburg, VA, ph. (540) 432-4228. By clicking Next below you indicate your willingness to participate in this research according to the terms listed above.
